

Dr. Bryce Futrell
DNP, AGNP-C

About Bryce Futrell.

Dr. Bryce Futrell was born and raised in Rockingham, NC. She earned her undergraduate degree from UNC-Wilmington and her Doctor of Nursing Practice from East Carolina University. She is a licensed Nurse Practitioner by the North Carolina Board of Nursing and a certified dementia provider through the National Council of Certified Dementia Practitioners.

Dr. Futrell has a strong interest in caring for underserved populations and the elderly. She has extensive experience working with adolescents, adults, and seniors. Dedicated to providing the highest quality care to all her patients, Dr. Futrell is passionate about serving her home community and giving back to the residents of Richmond County.

Dr. Futrell resides in Rockingham with her husband and two daughters. She enjoys spending time with her family and never misses an opportunity to visit the beach.
